Animal Gossip - Shane Week 10/07

Let's start the week off with the Senior Citizen Horse on our ranch. Shane (The light horse in color, a Palomino) is 28 years old! Yes, that is old for a horse, and he's grouchy if he doesn't eat on time. WAIT - I just described myself!

For you youngsters know that with age comes wisdom. Shane can open most gate latches and take off anything with Velcro, AND I have evidence!

I have 4 horses all wearing fly leg wraps (those are mesh wraps and keep flies from biting their lower legs.) SO, that would make 16 legs wearing them. I find 4 leg wraps all ripped and one horse without any on his legs. Guess who was the only horse without any of them on! YEP (you have to pop the "p" in Yep to say it correctly) it was Shane!

As if that wasn't bad enough, Shane decides it's a good idea to play tug of war WITH the leg wraps!

Hero, (the black horse) is the partner in crime.

It would be fine if they could learn to play with it, and then one horse puts it back on the other horse.

Pop Quiz: Does the horse put it back on, OR do they just play until they tear it into pieces and ruin it?

Answer: WOW, no one got the wrong answer! Yes, ruin in it.

Then I threaten them that they're paying for the darn things! Do they care? WOW, no one got that answer wrong either.

Ranch Retirement Gossip 10/07

I like walking the ranch. But there's a big difference when the sun goes down. I like sundown, BUT then the shadows start to look a tad scary. SO, you can see below how this ranch changes from happy day animals to shadows for our night creatures. Yep, time to take the camera and get inside the house!

Okay, below is not so bad. I can still see and figure out what may be sneaking around.

BUT then it gets so dark! We have no street lights in this area of the county, It is just DARK once the sun goes down.

And with the above picture on the right, you can see it is getting scary dark and that means that it's time for this old girl to get inside and let the night raccoons, foxes, opossums, skunks, owls, and the night teams have the ranch. Time for my night coffee with cocoa powder in it!

What's on TV with Don 10/07

Well, just YEEHAAAA Giddy UP Cowboy time on television. Now am I watching this cowboy movie on the TV? NO, I don't even know who the below people are. This movie was made in 1942 and is called Deep In The Heart of Texas (that's also a song!)

Why are these movies always having singing cowboys star in them!

Below is Jimmy Wakley

Tex Ritter

I need that buckboard for my ranch!

Jonny McBrown

NOW, for those of you saying, "WHY is this woman putting this in her weekly news?" I figured why should I have all the television suffering on retirement! You should also have the fun of reading captions, OR the sound blasting! OR hearing Don talk about their cowboy hats having wide brims just like he likes them. **Pop Quiz:** Do I care how wide a cowboy hat brim is? **Answer:** You all got this answer correct - NO!

Simulation and Engineering 10/07

You'll find simulations that I really like, and that I watch over and over. Also, if you think about it, it makes this pdf a tad intellectual. Yes, I know you're all thinking, "She's trying for intellectual? She needs more coffee!"

10/07

[Who doesn't love a slinky!!!](#) I want to buy one - Actually I think I will buy one! I am not sure ranch steps will work BUT I will try it out and let you know. Now, everyone that has a long flight of stairs go buy a slinky!

09/30

At times I may want to punch something, but I would NEVER do it holding my coffee cup! SO, I shall call this week's coffee flavor Cafe-Mocha-You-Better-Duck-Bucko! Why duck quickly you ask? The retired senior citizen, named Marsha, just bought a boxing glove! Maybe boxing can be a new hobby I do while retired? [Boxing glove foam simulation, side punch -LS-DYNA](#)

09/23

Not only did they crash their heads, drop the football, and probably have a heck of a headache BUT they dropped the coffee! How rude to ruin my Football To Go Cups!

[a proof-of-concept collision between two football players.](#)

09/16

Where NOT to stand gossiping to your friend. Airport Runway? Ya think? This was too good not to share! Luckily they left their coffee at my shop. I'll send it to the hospital, in my new Runway To Go Cups! [Crash Test Dummy](#)
